# The World Road Association (PIARC)

Association  
mondiale  
de la Route

World Road  
Association

A non-profit association founded in 1909 to promote international cooperation in issues related to roads and road transport

Association  
mondiale  
de la Route

World Road  
Association

# Members

---

107 Member Governments

4 Regional Authorities

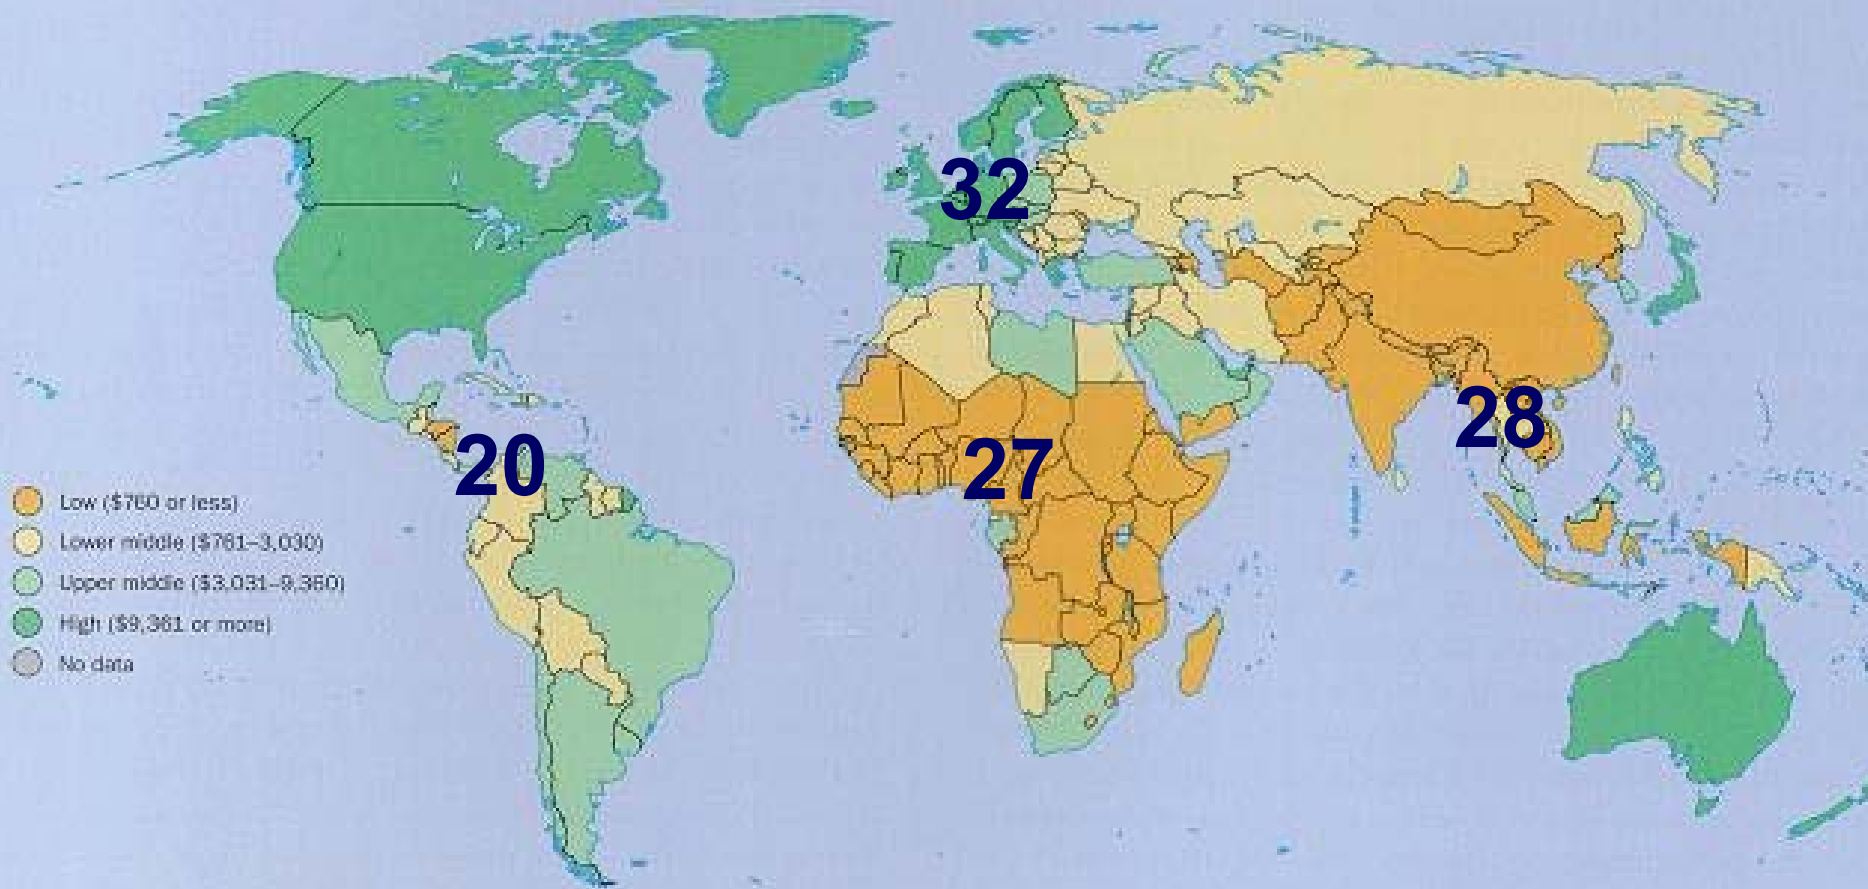

> 600 Collective Members

> 1000 Individual Members

in about 130 Countries

# PIARC Member Countries

- Low (\$760 or less)
- Lower middle (\$761-3,030)
- Upper middle (\$3,031-9,360)
- High (\$9,361 or more)
- No data

Association  
mondiale  
de la Route

World Road  
Association

# Vision

---

PIARC will be the World  
leading forum in exchange of  
knowledge  
on roads  
and road transport policy  
and practices  
within an integrated  
sustainable transport context.

Association  
mondiale  
de la Route

World Road  
Association

# Mission

---

- To serve all members
- by being a leading international forum
  - by disseminating best practice
  - by promoting efficient tools for decision making

with special emphasis for  
developing countries and  
countries in transition

Association  
mondiale  
de la Route

# A Strategic Plan

---

For each cycle, in-between two World Road Congresses, PIARC adopts a Strategic Plan which guides its activities for the four coming years.

For the 2000-2003 period, 5 strategic themes were defined and covered the work of 20 Technical Committees.

# Strategic Themes 2000 - 2003

---

Association  
mondiale  
de la Route

World Road  
Association

- ST1: Road technology
- ST2 : Road transport, livability and sustainable development
- ST3 : Road and road transport operations
- ST4 : Management and administration of the road transport system
- ST5 : Appropriate levels of road and road transport development
